Indore, Madhya Pradesh, India

OBJECTIVE

Highly motivated and enthusiastic computer science student in the final year of studies with a solid foundation in programming languages. Seeking a challenging internship or entry-level position to leverage my technical skills, theoretical knowledge, and hands-on experience gained through coursework and projects. Dedicated to contributing to innovative solutions and gaining practical industry experience

TECHNICAL SKILLS

- Languages: Html, CSS, Basic JavaScript, CPP, Basic Java, SQL
- Technologies/Framework/Libraries: Angular, Bootstrap
- Tools: VS Code, MySQL, GitHub, Postman
- Interests: Data Structure, Algorithms, Cyber Security
- Soft Skills: Time management, Patience, Adaptability, Problem-solving

PROJECTS

Book Management System

led the development of a Book Management System, a digital tool that simplifies how businesses organize and find books in their libraries The system efficiently manages processes such as book inventory and responds to user requests
Implemented user-friendly features to simplify book search and retrieval processes.
Tech-Stack used: html, CSS, typescript, angular, bootstrap, MongoDB, postman

To-do List Application

Developed a dynamic to-do list application using React to improve programming skills and create an interactive user experience
Made this to do app for jotting down the list of things we need to do. It has a work title and the description about the work.
key skills frontend development, responsive design, user experience

Spotify clone

Developed a Spotify clone project to replicate the functionality and user experience of the popular music streaming platform. The project aimed to showcase my skills in full-stack development, audio streaming, and responsive design.
Tech-Stack: HTML, CSS, JavaScript, MongoDB, RESTful APIs

EDUCATION

August 2020 – June 2024	Bachelor of Technology in Computer Science Engineering Medi-Caps University, Indore
June 2019 – March 2020	Higher Secondary (12th Grade) Karnataka Vidya Niketan , Indore

ASSESSMENTS/CERTIFICATE

- Programming Foundation with JavaScript, Html and CSS
- C Programming and its importance
- Google Cybersecurity: Foundation of Cybersecurity
